

Photo Usage & Privacy Terms

The 4C's Charities Caravan and Camping Club

We want everyone to feel comfortable, informed, and happy when spending time with us. This short guide explains how we may use photos and how we look after your personal information.

1. Photos & Videos

From time to time, we may take photos or short videos at our events, rallies, camps, or activities. These help us celebrate our community and share what we do.

Photos or videos may be used for:

- Our website
- Social media pages
- Newsletters or emails
- Promotional or fundraising materials

We will always aim to use images respectfully and in a way that reflects the friendly spirit of The 4C's.

2. Your Consent

By attending our events or activities, you are giving your permission for photos or videos that include you (or those in your care) to be used as described above.

If you **do not** want to appear in photos or videos:

- Please let an organiser know at the event, or
- Contact us afterwards and we will do our best to remove or avoid using the image

There will be **no problem or awkwardness** — your wishes will always be respected.

3. Children & Young People

We take extra care when it comes to children:

- We will not name children in photos
- We avoid close-up images unless a parent or guardian has given clear permission

If you have any concerns at all, please speak to a member of the team.

4. How We Use Your Personal Information

We only collect personal information that we genuinely need, such as:

- Names
- Contact details
- Booking or membership information

We use this information to:

- Organise events and activities
- Communicate with you
- Manage memberships or bookings

We **do not sell or share** your information with third parties for marketing purposes.

5. Keeping Your Information Safe

We take reasonable steps to keep your personal data secure and handle it in line with UK data protection laws (including the UK GDPR).

You have the right to:

- Ask what information we hold about you
- Ask for corrections
- Ask for your data to be removed (where appropriate)

6. Questions or Concerns

If you have any questions about photos, privacy, or how your information is used, please get in touch. We are always happy to help.
