Market Bosworth RFC

Rally No. 13

July 23rd – 26th

Booked

Bosworth is recognised for its floral displays and has been recognised with regional or national awards almost every year since 1985.

The area is famous for its connection with one of the bloodiest battles in English history and the gravesite where, over 500 years later, King Richard III's remains were discovered beneath a city car park. Travel pioneer Thomas Cook ran his first railway excursion here in 1841 and visitors can follow the route by steam train today, dining in style on the Great Central Railway. For a truly unique experience take a tour of the last working bell foundry in Britain where traditional craft skills have been employed since 1859 or visit the official home of Triumph Motorcycles for a fully guided factory tour. Take afternoon tea in the 17th century home of Gunpowder plotter Sir Everard Digby or tour the opulent interiors of the castle that featured in Netflix's The Crown.

Lees Meadow Farm, Middleton near Carsington Water, Matlock Illuminations

Rally No. 15

October 8th – 11th

Booked

Another visit to this popular venue, this time to cover the Matlock illuminations, with its amusement arcades, fish and chip shops and ice cream parlours, Matlock Bath has often been described as resembling ‘the seaside without the sea’. What it does have is the River Derwent, which

flows prominently through alongside the main A6 road and forms the arena for the annual Matlock Bath Illuminations, otherwise romantically known as ‘Venetian Nights’, when a series of specially-constructed illuminated boats take to the water to impress spectators. First staged in 1897 to mark Queen Victoria’s Diamond Jubilee and has been a annual tradition ever since. By the 1950s the majority of boats had become electrically-lit – but

in a charming nod to the event’s origins which continue to this day, one boat every year is solely lit by candlelight to give visitors an idea of the experience their predecessors enjoyed.

Middleton Top Engine House is also nearby, the countryside centre sells a range of books, maps, leaflets and gifts, along with hot and cold drinks, ice creams and snacks. Also access to the High Peak Trail

Marshalling a rally can be as hard or as easy as you make it, no pressure to do activities or to provide socials. Ask someone to marshal with you, share the experience. Notes on marshalling can be found at the rear of this booklet, and if in doubt you can always ask. Pick a rally for next year, good luck.
